## EDMONTON REPORT

EDMONTON — Towns, villages, municipalities and municipal hospital districts throughout the province are taking another step this month towards providing citizens with low cost hospital care.

Preparations are being made to provide financial aid to pay for special hospital services to patients of the province's hospitals. These special services include certain drugs, tests and treatments not contained in standard ward care.

Already a high percentage of Albertans is receiving low cost standard ward care through the government's \$1-a-day plan. It provides for the patient to pay \$1 a day for standard ward care, the remainder of the actual cost to be split 50-50 by the province and the municipality or hospital district. This scheme does not include the cost of the so-called hospital extras.

At the last session of the legislature an amendment to the Hospitals Act was passed providing for the new service. Basically it will operate on the same principles as the first scheme.

Taxpayers in districts which accept the plan automatically will receive the assistance, while non-ratepayers in these areas will be able to buy annual contracts, supplementing the hospitalization contracts many of them now hold for standard ward care.

In letters sent to hospital boards, city, town, village and municipal administrations, the provincial department of health suggests that immediate action should be taken to bring the new plan into effect July 1. Districts which plan to carry out this suggestion will be selling the contracts for non-ratepayers this month.

Dr. M. G. McCallum, director of hospital and medical services, said indications are that almost all the districts in the present plan will accept the new one.

At least one district has stated it would not enter the plan at present, fearing it would be unable to bear the extra cost. Edmonton's city council, which accepted the plan recently, was told it would cost city taxpayers about \$150,000 over a 12-month period. Of course, it would cost much less in the smaller rural districts and in small cities, towns and villages.

There are 100 approved hospitals in the province, including six in Edmonton and Calgary. About 90 are in rural areas, of which 57 are municipally-owned and 31 operated by one of the Catholic orders.

Sixty-five percent of the province's villages are in areas where the \$1-a-day plan has been accepted, while almost all the rural municipal districts are covered. Dr. McCallum estimated that a potential of 90 percent of Alberta citizens could be covered, as they live where the scheme is in operation. An actual two-thirds of the population are receiving the service, he said.

The extras plan has been endorsed by the hospital association of the province. The association recommended one change, which the government planned to implement through an order-in-council. This plan can be placed in operation only where the original plan has been accepted. In addition non-ratepayers must be holders of the standard ward contracts before being eligible for contracts to cover the extras.

A daily rate has been set, representing the cost of the extra services. It varies depending on the rating of the hospital in each case the patient pays 25 per cent of the accepted daily rate, with the local authority or hospital board splitting the remainder with the government.

Rate for an "A" hospital is \$4 a day; in a "B" it is \$3.20; "C"—\$2.40; "D"—\$2 and "E"—\$1.20. Thus a patient in a "B" hospital would pay 80 cents a day towards the services.

Included in the extras are "all hospital procedures, services, care tests, drugs, dressings and medications as are not included in standard ward care and are necessary for the proper care, diagnosis and treatment of the patient." There are some exceptions including cortisone and ACTH and some other drugs and appliances, anaesthetist services and drugs placed on the market after June 30.

Patients will still have to pay for doctors' care, but the two plans will take a large burden from the shoulders of persons requiring hospitalization.

## Little Bow Constituency

### Women's Institutes Hold Conference at Champion

(By Champion Correspondent)

The thirty-fifth conference of the Little Bow Constituency of Alberta Women's Institutes was held in the Community Hall at Champion on Tuesday, June 23rd, with a very good representation from all branches.

Those attending registered at 9 a.m. and were presented with an identification card, note book and pencil, compliments of Mr. McKay, United Grain Growers buyer at Kirkcaldy.

The conference opened with "O Canada" with Mrs. Doug Galbraith as organist. Mrs. McIlroy of Shaunessy lead the reading of the Creed. Mrs. Knudtson of Champion welcomed the gathering on behalf of the hostess branches Champion and Kirkcaldy. Mrs. A. A. McQuarrie of Barons responded to this welcome.

Mrs. L. J. Dunn of Turin in a very gracious manner presented flowers to Mrs. Walter Ford, the District Director of Coutts; Mrs. A. M. Maisey, Constituency Convener, of Kirkcaldy; Mrs. A. Mainland, of Thigh Hill branch, secretary of the conference; and Mrs. Galbraith.

The Devotional was led by Mrs. C. Hollister of Kirkcaldy and a moment of silence was observed in honor of departed members.

The treasurer's report was given and then the following branch secretaries gave reports: Mrs. McManisters, Good Deeds; Mrs. A. A. McQuarrie, Barons, Kirkcaldy; Mrs. S. Davis, Thigh Hill; Mrs. J. Allon, Champion; and Mrs. Percy Myers, Reid Hill.

Among the charter members present were Mrs. Jack Marshall of Vulcan, Mrs. McIlroy of Shaunessy and Mrs. Arnegard of Barons. A former member of the Champion branch, Mrs. Dave Watkins, who now resides in Lethbridge, was present. Mrs. Watkins had been a member in Champion for 25 years.

The following reports were heard from Standing Committees: Miss J. Ware of Kirkcaldy—Agriculture and Canadian Industries; Mrs. C. Dennison, Good Deeds—Health Recreation and Education; Mrs. W. E. Roebuck, Thigh Hill—Citizenship; Mrs. A. D. Lyons of Barons—Handicraft.

The hostess branches served a delicious luncheon in the dining room of the hall and those present enjoyed the potato salad, cold ham, pickles, bread and butter, pie and hot coffee.

After the noon recess, community singing provided a change of entertainment and then Mrs. M. Sisson of Champion gave her report on Household Economics. Mrs. R. Hogland of Champion, who attended the Girls Club conference in Lethbridge, gave her report and her impressions of the conference. Mrs. Hegland is very much interested in this work and is supervisor of the Girls Club in Champion.

Among those who entertained during the afternoon were Miss Linda Gay Flitton and Miss Myrna Nichols. Miss Flitton is a dancer worthy of note and as usual everyone enjoyed the little lady's contribution. Miss Nichols played two piano selections very ably and shows much talent in the short time she has had instruction.

Mrs. Ford, District Director, spoke on several topics of interest to Institute members, stressing the need for adult education as well as charity work. She felt that more time should be given to study. She also gave some very good pointers on good reporting and some very helpful hints to secretaries. She asked that the delegates remind the Branches that the Provincial Women's Institute has certain dues to be paid to the Federated Women's Institute and that each branch should keep up its share. She also asked that the branches become more interested in choir work. The Institute magazine, "Home and Country," provided much of the theme of Mrs. Ford's address.

## Officers Elected

Election of officers took place and the following were elected.

Mrs. Shearer of Barons—Citizenship; Mrs. Frank Little of Champion—Health; Mrs. McQuarrie of Barons—Constituency Convener. Mrs. McQuarrie presented Mrs. Maisey with a beautiful table lamp on behalf of the constituents.

### Showers Honor June Brides-elect

Honoring Miss Frances McIntyre, a bride-elect of this week, some 45 neighbors and friends gathered at a community bridal shower held at the home of Mrs. Laura Houlton, Wednesday, June 17. On her arrival Frances was presented with a corsage from the gathering by Mrs. Phyllis Erickson.

An amusing contest arranged by Mrs. Gwen McKay was won by Mrs. Marian Meiom, while another contest, "Articles for the Bride," commencing with the bride's initials of "F.M." caused much merriment. A tap dance number performed by the Webber twins, Marilyn and Carolyn, was very well done and appreciated by all.

A gaily-decorated carpenter's tool kit, on which were taped miniature tools, was piled high with colorfully wrapped gifts and was brought in by the Webber twins. Mrs. Houlton, on behalf of the guests, presented the guest of honor with the many useful and lovely things for her new home and expressed her good wishes of the entire community. Assisting the bride-to-be in opening her attractively wrapped gifts were her own mother, Mrs. W. J. McIntyre and Mrs. Bruce White mother of the groom-elect. Frances very graciously thanked her friends for their good wishes and the lovely presents.

A delicious lunch was served by the hostess, assisted by Mrs. Phyllis Erickson, Mrs. Gwen McKay, Mrs. Viola Mensinger and Mrs. Lillian Deal.

A miscellaneous bridal shower, honoring Miss Maye Roebuck was held at the home of Mrs. F. J. Mensinger on Thursday, June 18, with Mrs. H. Ulmer and Mrs. J. Gradwell as assisting hostesses. Some 20 friends were gathered to extend best wishes for a long and happy married life to the bride-elect.

Contests were arranged by Mrs. Mensinger and one using song titles was won by the guest of honor and her mother, Mrs. W. E. Roebuck, working together. The prize was presented to Maye.

The bride-to-be was presented with a gaily decorated parasol set in a stand and from which tiny hearts with verses indicating the hiding place of the gifts were suspended. After a treasure hunt the beautiful assortment of parcels was discovered. Assisting in opening the beautifully wrapped gifts were the bride's mother and small sister, Linda. In a most gracious and appropriate manner Maye expressed her appreciation of the kindness and good wishes of her friends.

A delicious lunch was served by the joint hostesses.

## Girls Club display.

### Miss Maye Roebuck Weds Calgary Man

A very quiet but pretty wedding was solemnized at the Vulcan United Church at four o'clock on June 20 when Maye Christine, eldest daughter of Mr. and Mrs. W. E. Roebuck of Vulcan exchanged

vows with Mr. Gus Csokonay, youngest son of Mrs. W. Puyimak of Calgary. Rev. John S. Clarke performed the ceremony at which the bride was given in marriage by her father.

The bride was attired in a strapless floor-length gown of white lace and nylon net and a long sleeved redingote of Chantilly lace which featured an Elizabethan collar. Her fingertip veil of illusion net fell from a heart-shaped head-dress of nylon net. Her bouquet was made in colonial style with deep red roses. Her only jewelry consisted of a pearl necklace and ear-rings, the gift of the groom.

Mrs. Wilma Csokonay, as matron of honor, was attired in a full-skirted gown of mauve brocade satin and nylon net. Mrs. Margaret Proc and Miss Jean Roebuck were yellow and green gowns respectively. The attendants' head-dresses were styled the same as that of the bride, in mauve yellow and green. They carried nosegays of roses and carnations.

Little Miss Helen Ruark, as the flower girl, wore a full-skirted floor length gown of yellow taffeta with headdress to match and carried a small nosegay of carnations.

Mr. Bill Csokonay attended the groom. Mr. Larry Proc and Mr. Walter Roebuck ushered the guests to their seats.

Mrs. Frances Clarke played the wedding music. Donald Roebuck sang "Because" during the signing of the register.

The L.O.O.F. hall was prettily decorated with spring and summer flowers for the reception. Rev. J. S. Clarke proposed the bridal toast. The bride's table was centred with a three-tiered wedding cake, flanked by tall white tapers. Donald Roebuck sang "Through the Years," accompanied by Mrs. Clarke.

Following a motor trip to the Grand Canyon, Mr. and Mrs. Csokonay will live in Calgary. For travelling, the bride wore a blue-grey flannel suit with navy and white accessories.

### Wedding of Interest At Lethbridge

#### KEHR - TRAIN

A wedding of much local interest was solemnized in Southminster United Church, Lethbridge, on Saturday, June 20, when wedding rings were exchanged between Elizabeth Bruce Train, daughter of Mr. and Mrs. R. C. Train of Del Bonita, and Edgar Maxwell Kehr, younger son of Mr. and Mrs. E. S. Kehr of Vulcan. The Rev. A. King officiated at the ceremony, which was attended by many people from out-side points, including Vulcan, Del Bonita, High River, Red Deer and Winnipeg.

The bride, who was given in marriage by her father, wore a gown of white nylon net over satin, fashioned with a high neckline and lily-point sleeves. Her fingertip veil of illusion net was held in place by a coronet of net and lily-of-the-valley. She carried a white Bible from which cascaded a bouquet of white streamers and red roses.

The bridal attendants were Miss Wanda Collet, maid of honor, and Miss Jeannette Gwilliam, bridesmaid. They were dressed in identical gowns of blue and pink floor-length nylon net and carried bouquets of pink carnations. Floor-length gowns of pink and blue nylon were worn by the little flower girls, Moran Train, sister of the bride, and Susan Kehr, niece of the groom. Nosegays of pink carnations and yellow roses completed their dainty costumes.

The groom was attended by Allan Walker of Vulcan and the guests were ushered to their seats by Robert Train, brother of the bride, and Stanley Kehr, brother of the groom.

During the signing of the register, a vocal solo "Day of Golden Promise" was sung by Miss Joyce Dalton of Lethbridge.

A reception followed at which the parents of the bridal couple received with the wedding party. About 125 guests were present.

The toast to the bride was proposed by the bride's uncle, Bruce Anderson, and was fittingly answered by the groom.

For her wedding trip to the U.S. the bride changed to a pale blue nylon dress topped by a pink short coat and matching hat. On their return the young couple will reside in Vulcan.

## Church Building Remodelled

### Anniversary, Dedication Services at United Church

The anniversary services of the Vulcan United Church were held on Sunday, June 21, with large congregations attending both morning and evening services.

The morning service was conducted by Rev. C. Dwight Powell, B.A., B.D., of Nanton, who took as his topic: "What is the Church?" A choir of 24 voices under the leadership of Rev. J. S. Clarke rendered an anthem "The Heavens Are Telling" in a manner deserving special mention. A solo "God Hath Not Promised" was also most impressively sung by Miss Madge Smith of Edmonton.

In the evening, Rev. Nelson Mercer of Southminster United Church, Lethbridge, delivered an address on "The Influence of the Father on the Home," which was much appreciated. The choir also rendered special music and a solo, "The Lord is my Light," by Mrs. Lillian Lancaster, will long be remembered.

Monday evening, June 22, saw the women of the church serving a delicious dinner from 5:30 to 7:30 o'clock. Approximately 300 people enjoyed the pleasant surroundings of the new dining hall in the basement of the church. Everyone expressed appreciation of the wonderful meal they had enjoyed. During the dinner hour Mr. Einar Kumlin favored with a solo, "I Want to be a Pirate," accompanied by Mrs. J. S. Clarke.

At eight o'clock the assembly gathered in the main hall of the church, which was filled to capacity.

Rev. J. S. Clarke opened the meeting and called on Mrs. D. O. Jantzie for a few remarks on behalf of the Sunday School and friends of W. D. Allan. Mrs. Jantzie eulogized the work carried on by Mr. Allan over the past 32 years as secretary-treasurer of the Sunday School and made a presentation as a recognition of such services. Mr. Allan replied very suitably and assured those present of his continued services.

The invocation and a hymn followed. M. R. Morrison, the Clerk of the Session, who acted as chairman of the meeting, welcomed those present and expressed appreciation of all the help of various kinds that had been received from so many individuals since the work on the church had commenced.

Miss Madge Smith then favored with a solo, "Bless This House," which was very impressively sung.

Representatives of sister congregations bringing greetings from their churches included Rev. J. C. E. Reuss of the Anglican Church, Mr. James Chapman of the Church of Christ, Mr. Joseph Gerding of St. Andrew's Roman Catholic Church, Mr. C. W. Loose of the Lutheran Church, Rev. Sarochan of High River United Church, Rev. Peter Dawson of Champion and Carmangay United Churches, Rev. Bearisto of Barons and Nobleford United Churches, Mr. Chapman of Milo, Queensdown and Majorville United Churches, Rev. C. Dwight Powell, B.A., B.D., of Nanton United Church and Mr. and Mrs. Sam Brown of the Couples Club of High River United Church, also Mr. Miller of Carmangay.

"How Lovely Are Thy Dwellings" was the title of a solo rendered by Mrs. Lillian Lancaster and again this voice was greatly appreciated.

Rev. Clarke then gave the address of the evening, choosing as his subject "Forward With God." This address was very appropriate for such an occasion and was full of many long-to-be-remembered thoughts.

As a special request, Miss Madge Smith repeated her solo of Sunday morning, "God Hath Not Promised," which was really a sermon in song.

The dedication service was conducted by Rev. C. Dwight Powell, chairman of the High River Presbytery and was very impressive throughout.

The church was decorated for the occasion with beautiful flowers placed by Mrs. Fred A. Elves and Mr. and Mrs. R. L. Elves in memory of the late Fred A. Elves, who was one of the founders of the church in Vulcan, and by Mrs. John T. Willard in memory of her son, Flight-Sergeant Bob Morrison who was reported missing over Germany on June 24, 1943.

The chairman extended a hearty vote of thanks to the ladies of the congregation for all their efforts in the serving of the delicious dinner. Mrs. Alex Hindle very fittingly replied and thanked those present for their attendance and support.

Many friends of the church were from outside points for these services and expressed amazement at the change that had taken place during the past two years.

The call for tenders states that such tenders must be received by June 30.

## Milo News

The high school, which includes grades 9 to 12 inclusive, took their annual jaunt to Banff last week and the town will probably never be the same again. Banff, as you know, is a summer resort and is therefore subject to all kinds of people at all times. During both the summer months and the skiing season the streets are lined with cars from almost every province in Canada and every state in the Union. There are waddling American tourists equipped with shorts and floppy hats and with the inevitable cameras slung over their shoulders; there are kids in jalopies and millionaires in Cadillacs and just plain people out for a weekend of sight-seeing and a swim in the Hot Springs. All this, and then Milo High School had to go up there too. Six carloads of them—about 36 people. Besides the teachers who went up to see that the kids behaved there were also the three Dietz boys and Ian Thomson. Need we say more. They went swimming, went up on the ski lift, took a trip to Lake Louise and Moraine Lake, bowled and went to shows. Now that sounds like a full schedule but nothing very out of the ordinary. It was what happened between those things that drove the owners of the cabins as well as the managers of the swimming pools and most of the restaurant people nearly out of their minds. Why, poor Mr. and Mrs. Carson were afraid to venture near their beds after spending a hard day galloping across the mountains. Pots, pans and almost anything else movable in the cabin could be expected, tucked in between the doubled up sheets. Then of course there was the egg fight the boys and teachers had. Eggs are excellent for the skin and hair and many of the boys got the treatment. David Dietz had one rubbed into his back and Tom Clark had a shampoo with another. The trip was a special thrill for Coleen Phillips, who had never gone on a trip like that before, being a comparative newcomer to Milo district. There was still ice on Moraine Lake when they got up there and they ran into flash floods on Friday that had resulted from a real downpour. But ice or floods or egg shampoos, nothing dimmed the spirit of the trip and they all came home completely tired out and completely happy to wait for the same thing to happen again next year.

Mr. and Mrs. Ivan Winch and Mr. and Mrs. Gordon Ivers spent the weekend at Banff last week but it is doubtful if they even attempted to keep up with the kids, so the story of their trip is much tamer than is the other story. While all these people were in the mountains they saw Mr. and Mrs. Ralph Hall, who were beginning their honeymoon there. Among those who attended the wedding of Mr. and Mrs. Ralph Hall in Calgary were Mr. and Mrs. Haldor Thompson, Mr. and Mrs. Bill Shield, Mr. and Mrs. Tom Beckner and Mr. and Mrs. Lloyd Hughes. Miss Marjorie Dietz was home for a few days from her job as nurse at the San in Calgary. Gladys Phillips planned to have a surprise party for Grandma Phillips to honor her on her recent birthday. When the guests arrived at Grandma Phillips home it is questionable who was the most surprised, because there was already a group of ladies assembled there whom Grandma was entertaining. Unexpectedly, Mrs. Ruth Northcott, Mrs. Nelsie Robertson, Mrs. McRoberts and Mrs. McIntyre of Vulcan had come calling on friends in the Milo district. So the two parties joined forces to wish a grand little old lady a very happy birthday, and it is echoed now in this column.

Another Phillips had a birthday party last week as Sharon, only daughter of Mr. and Mrs. Lawrence Phillips, entertained 16 of her friends on her thirteenth birthday. The highlight of the afternoon, and one which was not attempted at the other party, was a scavenger hunt which was entered into with gusto. Of course a scrumptious lunch ended the afternoon.

Vi Carson spent several days in the Vulcan hospital last week, having a well-earned rest. Seems like that is the only place she can go to get a leisure minute. Before she would go in however she made the doctor promise she would be out in time to go on the trip to Banff with the high school youngsters. So she was released Thursday in time to get home to be installed as secretary of the Home and School for the coming year. Some rest, but what would this community do without Vi Carson?

Louellen Hughes is in the Vulcan hospital and Aubrey Gore, while not in the hospital, is supposed to be confined to bed. The knee that he hurt last winter is acting up again and causing him quite a lot of pain. Lloyd Nelson of High River, but known in this

district also, hurt one of his legs while branding cattle. It is not known how serious the injury is. Eleven Explorer girls graduated into the C.G.I.T. last week in a ceremony taken charge of by Mrs. Eva Ivers, who has led the class all year. Dianne and Patsy Monner, Coleen Beechman, Helen Auestad, Marlene Ivers, Kay Peterson, Carol Peterson, Janice Bertrand, Sharon Phillips, Marian Brinker and Emily Kirby took the oath of the C.G.I.T. organization which elevated them into the older age group from the Explorers. During the afternoon, tea was served with the assistance of the Beckner twins and Donna Bittorf, to the mothers of the girls. During the coming year the CGIT group will be under the direction of Mrs. Eva Ivers and the Explorer group under the leadership of Mrs. Lil Peterson. It is hoped and believed that there will be a large attendance in both groups.

Last Saturday night the first in a series of Saturday night dances was held. Up until about 10:30 the music was supplied by the records of Leslie Beckner, but then the orchestra arrived. Harvey Godkin, Jack Shield and Took Beckner really made music that made your feet itch and your toes tap. There seemed to be a profound shortage of people, especially women, to dance to this music, but those that were there had a good time. In the future, the Rebekahs plan on serving lunch after the dances, which will continue every Saturday night all summer. Come one, come all, and even if you don't dance come and listen to some real oldtime music played the way it was meant to be played.

The regular meeting of the Lutheran Ladies Aid was held last week at the home of Mrs. Rose Greaves. Because of the bad roads the attendance was not large but a very satisfactory meeting was held. It was decided that there would be no July meeting because of it coming during Stampede week. The next regular meeting will be in August at the home of Mrs. Jack Dietz. The Lutheran Bible Camp is to be held at Claresholm starting July 5. It lasts two weeks with the first week for children up to the age of 14 and the last week for the adult classes. The new minister in charge of the Queens-town Lutheran Church for the next year held his first service last Sunday. He is Intern Walter Evenson of Minneapolis, Minn. He and his wife will be living at Lomond and holding services in the Queenstown church every other Sunday at 11 o'clock.

Thomas Will, who has been working at the Milo Motor Service, is now in Calgary taking a course in motor mechanics at the Tech. Mr. and Mrs. Ed Watwood, Mr. and Mrs. Roy Watwood and two daughters were visiting with relatives and friends in the Milo district last weekend.

The United Ladies Aid held a tea and apron sale in the village office last Saturday night. Net proceeds were \$52.50 and it was a very successful evening.

Mr. and Mrs. Jack Bushell and Marj Hellevang went to Calgary last week to the Gracie Fields show. A number of people from this district went to the Hank Snow show which was also held in Calgary last week. Both were

reported to be very good.

The main street of Milo has certainly taken on a new appearance at the upper edge of town with the laying of the cement sidewalks. In time it is hoped that similar walks may be constructed all over town.

The Milo ball teams have been playing ball again and it is at times impossible to get the players to divulge the score as it is tallied up. The boys and girls teams both played in Arrowwood last week and the Milo men beat those from Arrowwood 15 to 3. The girls score looked slightly different in the other direction and no definite figures were given.

Russell Mills has purchased a new motor boat to amuse himself with this summer. It is quite a large job, with room for six passengers. At least he probably thinks that he bought it to amuse himself with but wait till he gets it on the lake. We all want a ride, boy.

Phones rang, messages were sent and received and all and sundry were alarmed. Purple gas Charlie was in town. No grapevine in the

heart of Africa was ever more efficient than the system worked out by the farmers in this district. Of course it was all in fun, because no one really minded if the Dodge car with the siren and red spotlight on top was parked just over the railroad tracks and the occup-

ant was stopping all who ventured near. This is a law-abiding community.

to test features that help you do your work better, quicker and at less cost.

To get work done, farming now relies largely upon mechanical equipment. Manpower is scarce and costly and mechanization has been the answer to the farm help problem. Never before has it been possible for a man to do so much, so easily, and so quickly as it is today with up-to-date tractors and power equipment.

That Massey-Harris machines may offer the latest features and advantages in design and construction, research engineers test them by modern stress analysis devices and days and days of operation on the Massey-Harris test track—the first modern full-scale test track for power farming machinery.

## LUTHERAN LADIES' AID

Mrs. Lewis Greaves was hostess for the June meeting of the Lutheran Ladies' Aid. Ten members were present. The meeting opened with singing a hymn followed by repeating the Lord's Prayer in unison. Most of the discussion centred around forthcoming conferences. As no one was able to go to Edmonton, Mrs. Heather and Mrs. Prentice are going to try to take a car load of members to Claresholm on June 27th for the district conference there. If you would like to go, contact either of the above ladies for transportation arrangements. As the next meeting would be during Calgary Stampede week, there will not be a July meeting and the August meeting would be during meeting will be at the home of Mrs. Jack Deitz. A history of the Aid since its beginning is being completed, and some interesting sidelights are being brought out. The first meeting was held at the home of Mrs. J. Ausgaard who at that time resided on the farm now occupied by Abe Anstad and his family about 2 1/2 miles northeast of Milo. The date was May 13th, 1915, and officers elected were: President, Mrs. J. Ausgaard; treasurer, Mrs. M. Johnson; secretary, Anne Ausgaard. No minutes book is available and the cash book is rather vague as to how many members joined at that meeting but some of the names are still familiar ones around the Lutheran church. Many of the members in those far off days would drive to the meetings picking up other members just as is the custom today but instead of the sleek, powerful cars of now they drove teams and buggies. All dreamed of going to the Aid without a hat. Many of the homes were small, only one or at most three rooms and furnishings were not too plentiful so boxes covered with quilts were pressed into service to accommodate the visitors.

The same procedure is followed today when an extra large turnout is present. Some homes were papered by simply using newspaper for wallpaper but the meetings were well attended and interest keen. It was to help the church and no better cause ever existed. No meeting is ever quite complete without a lunch and those early years were the First Great War years and so the hostesses would save precious sugar to be able to have lots of cake for the lunch and Mrs. Ole Nelson and Mrs. Austin Johnson always served Lefse when it was their turn to entertain. Among the names of those early members who are still members are: Mrs. Morseth, and Mrs. Pete Soli. Mrs. Krist Hellevang, another name, now resides in Ladner, B.C. Many of the others have their names on the stones at the head of a plot in the church yard of the church they loved and desired to serve. Reading the income one can discern the good years and the bad but gradually over the years the Aid has increased both in money raised and spent for church work. The income that first year was \$19.15, all collected at the meetings last year by various means such as teas and a bazaar the income of the Aid was \$549.66.

And so down through the years the Lutheran Ladies Aid is still functioning and just in passing it should be noted that at one time there were five other denominations as well as Lutheran represented in the membership, even a Roman Catholic. Quite a number of the present membership are not members of the Lutheran church but each meeting finds a number gathered at a home for a pleasant afternoon, discussing ways and means to raise money or how best to go about doing something for the church. To those of us who belong to the Aid as just "Aid" members it always proves an afternoon of happy fellowship.

## MOSSLEIGH

The next meeting will be held on July 22, place to be announced later.

The Mossleigh 4-H Club held a meeting on June 13 at the home of Mr. and Mrs. Hagedorn where the girls spent part of the afternoon looking through their orchard of apple and crabapple trees which were in full bloom.

A new secretary was nominated as the former secretary, Edna Brown, has gone away for the summer. Joan Leslie was appointed the new secretary.

Plans were made for the Rally Day which will be held in High River on Saturday, June 20.

The efficiency winner for the winter project is Mavis Scott who will be attending club week at Oids this July. Congratulations, Mavis.

The meeting closed with a basket lunch on the lawn. The girls were pleased to have the opportunity of seeing the fruit trees while in blossom.

## BRANT

The primary room invited their parents and the pre-school children and their parents to a party in their room on Friday afternoon. Lunch was served.

Mrs. J. Nicholas was a Lethbridge visitor on Monday.

Mr. and Mrs. M. McKay were Lethbridge visitors on Friday.

Members of the Students Union presented the principal, D. Forsyth, and vice-principal, S. Richmond with fountain pens on Friday afternoon. The presentation was made by the secretary of the Students Union, Elizabeth Druhal.

A few farmers north and east of Brant were hit very badly by a hail storm Wednesday afternoon.

Robert Sellars left on Friday evening for Calgary where he will spend the summer holidays working for Universal Sales & Service.

Nick New left for Banff Friday evening to attend the School of Fine Arts.

Mr. and Mrs. Baskin of Calgary spent a few days in Brant visiting their son Dave Baskin and family.

Mr. and Mrs. B. Ball and family and Wilma Burley went to Red Deer on Saturday.

John Rhodes was an Edmonton visitor on Wednesday.

## SERVICE BOARD NOTES

H. S. Burns, Field Supervisor

The Board of Grain Commissioners for Canada has made effective immediately Regulation No. 26

which relates to the entering of commercial channels of grain that has been treated with poisonous fungicides. This regulation reads:

"Every person who offers for storage or sale at a licensed elevator any grain which has been treated with mercurial dusts or compounds, or with other toxic materials, or grain mixed with other grain which has been so treated shall, if an individual, be liable on summary conviction to imprisonment for not more than three months or to a fine not exceeding five hundred dollars, and if a corporation shall be liable on indictment or summary conviction to a fine not exceeding one thousand dollars."

From the foregoing it will be seen that it is a very serious offence and we cannot see how any one could be so careless as to offer such grain, but the Board wishes to make sure that all farmers are aware of this regulation.

## NEWS OF INTEREST

New British speed train to go into service this month: Britain is preparing to set a new railway speed record for the run between King's Cross station, London, and Waverley Station, Edinburgh. On June 29 a new service will be inaugurated on this 394-mile line—described by British Railways as "the world's longest daily non-stop" (no water stops) covering the distance in 6 1/2 hours—an average speed of more than a mile a minute. In keeping with Coronation

year, the new train will be known as The Elizabethan and the special summer service it will provide is scheduled to run until September 12.

## PALEFACE TOTEM POLE

(with a very important man at the base!)

### KEY TO FACES:

Top: This man represents The Spirit of Building — especially the building of homes, schools, roads, power plants and other developments often financed by invested life insurance dollars.

Second from top: Here is The Spirit of Health, as promoted through medical research projects aided by life insurance companies. These projects support science's war against polio, cancer, heart disease and processes of aging.

Third from top: The Spirit of Employment is symbolized by this worker. He might be any of the thousands of workers with good jobs in some of Canada's new factories, which life insurance dollars have helped create.

Base: The Spirit of Life Insurance, represented by a policyholder, is put here because in a certain sense all the others depend upon him. It is money from his premiums, invested by his life insurance company, that so often helps them serve you in all these useful ways. So, if you are a life insurance policyholder, remember — you are more than a good provider for your family. You're also a Very Important Person who's helping to make Canada a better land to live in!

AT YOUR SERVICE — A trained life underwriter, representing one of the more than 50 Canadian, British and United States life insurance companies in Canada, will gladly help you plan for your family's security and your own needs in later years. Rely on him!

Leslie Long and Stanley Brown were Calgary visitors last week.

The Legion and Auxiliary delegates, Mrs. Clara Kingsmith and A. V. Symes, have returned from the convention in Edmonton.

Jim Prentice and Mr. and Mrs. Robert Gooch attended the races at Cochrane on Wednesday. The winner was the Phelan outfit from Red Deer driven by Ronnie Glass, with Commodore Allen's outfit driven by Hank Willard placing second.

The monthly W.I. meeting was held in the Legion hall on June 11. It was decided to hold "Hobo Teas," a few of the members just going as they are called upon to another person's place for tea and being served just what they have. The delegate, Mrs. Blackley, gave a very interesting report of the convention she attended in Edmonton. The hostess, Mrs. O. L. Lahd, and Mrs. Blackley served a very delicious lunch.

A number of the young folk attended the Hank Snow show in Calgary.

Mr. and Mrs. Bushell and Don McCord and Mrs. Stanley Brown motored to Calgary to see Gracie Fields.

Mr. and Mrs. George Gooch and family were dinner guests at the home of Mr. and Mrs. Robert Gooch last Sunday.

We are sorry to hear of the accident to Emsley Wyrick on the Doug Laing farm. The tractor on which he was riding upset, pinning Emsley underneath. Doug Laing was behind him with another tractor and managed to pull Emsley's machine off him. He was then taken to Vulcan hospital by Cam Robertson and is reported to be in satisfactory condition.

A minister announced to his congregation that the 23rd Psalm would be repeated in union. Then he added: "Will the lady who always gets to the still waters while the rest of us are in green pastures, please wait until we catch up, and stay with the crowd." Delayed News—

Mrs. McLean and Mrs. Stanley Brown were Vulcan visitors Tuesday.

Mr. and Mrs. Herman Splitz were visitors on Sunday at the McLaughlins.

### RED CROSS

Mr. and Mrs. George Fulton and daughter Lynell, accompanied by Jerry Snow, were Calgary visitors on Friday.

Friends will be sorry to hear that A. A. Giles and Mart Jose are patients in the Vulcan hospital. We wish them both a speedy recovery.

The community was saddened to learn of the death of Ben Graham. The deepest sympathy of the district is extended to the family.

Latest victims of the mumps are Glen Bateman, Errol Parslow and Gavin Markert.

Sympathy of the district is extended to Mrs. Leslie Ruark on the death of her father, John Olson of Okotoks.

There will certainly be no tourists this summer on our highway No. 23. It's condition is a disgrace, to say the least.

Mr. and Mrs. George Todd were Sunday guests at the home of A. Andrews at Parkland.

The picnic which was to be held on June 12 has been postponed indefinitely.

A crew from Brooks arrived at Armada a week ago last Monday to begin pouring cement for the foundation of the new Armada Memorial Centre. Then a crew of 20 or 25 local men gathered at Armada the first of this week to tear down the old hall. They returned on Wednesday again to help put the rough boards on the rafters. You can imagine the swarm of busy workmen, about 30 or 35 men just sawing boards and pounding nails, trying to beat those dismal, dark skies before

they let forth with a downpour. By the time this news column appears in next week's edition we hope the hall will be nearing completion.

home of Mr. and Mrs. E. Anderson of Milo.

Hammocks are becoming a thing of the past in the Royal Canadian Navy. As new warships are constructed and older ships modified and refitted, folding steel bunks are being installed in mess decks.

We were sorry to hear Bob Stokes was injured last Monday while helping tear the old hall down. Apparently he had forgotten about the basement steps and moved a foot or so over and fell to the bottom step. We extend him best wishes for a speedy recovery.

LAKE LOUISE burst upon white man's consciousness with a resounding clap of thunder out of a cloudless sky. Tom Wilson, leader of a pack train taking supplies into the Canadian Rockies for engineers, called a halt for the night on August 23rd, 1882. Towards midnight a clap of thunder woke the whole camp with a jolt... followed by yet another clap out of a starlit sky.

Deciding it must be an avalanche, Tom Wilson asked a Stoney Indian where it might be. "The Great Spirit speaking at the Lake of the Little Fishes... five miles away," was the answer, "at the foot of the mountain where the blue picture is painted... the picture that the Great Spirit made for the Indians." At daybreak Wilson set out for the Lake of the Little Fishes with the Stoney Indian as guide.

Today Lake Louise, one of the world's seven perfect landscapes, is a world-famous tourist attraction that draws thousands of tourists annually from all corners of the globe. They come... and are conquered by Lake Louise, Alberta's vivid tourist attraction... part of "OUR HERITAGE".
